

Draw & Paint: Contemporary Landscape

Instructor: Edward Duff
ecdart@yahoo.com

Listed below are all of the recommended supplies for the class. Whether you plan to pursue drawing or painting during the course of the class, **PLEASE** purchase only the items I have marked with an asterisk * for the first day. On the first day I will go over the materials list and answer any questions. If you already have drawing and painting supplies, please bring what you have with you and we will discuss any additional materials you will need.

Most importantly, please bring a variety of photo reference from which to choose. I recommend you bring photos that you have taken yourself. If you do not have any images that you have taken, please research copyright free images online that you can print and bring with you to class. High quality images larger than 4" x 6" and 5" x 7" are recommended.
