From the President & CEO

“The principles of true art is not to portray but to evoke.” — Jerry Kosinski

Spring evokes so much for the senses: freshness, the color green, beautiful flowers, blossoming trees—it is all about transformation and renewal! In that same spirit, the abundance of creativity flowing from our studios is always refreshing and inspiring whatever the season.

Some of us are stimulated by what we learn in the classroom, others by what they see on gallery walls. BBAC education programs and our exhibitions in five galleries offer a rich variety of art and different ways to make it. We are particularly looking forward to Ed Fraga: Rising, the BBAC Faculty show, and, of course, the annual Michigan Fine Arts Competition.

At the BBAC, we want to keep classes, exhibits and our many ArtAccess programs interesting and accessible and we invite everyone to participate in their own way.

One of the ways we are able to do this is with the financial support of all our generous donors. If you contributed to the 2019 year end appeal or participated in one of our two fundraisers, Shop & Champagne, thank you! Your donations really do make a difference.

Happy spring!

“Complexity of character, masculine and feminine, intimate yet bold, sensual yet strong: My photographs are an exploration of these dualities. By exaggerating delicate structures of nature I offer the viewer a chance to at once become confronted by and immersed in the natural object.” — Laurie Tennent

TENNENT’S collection of INTIMATE PORTRAITS commands attention by returning us to our most primitive organic roots. Isolating these most delicate living structures and amplifying them on a massive scale transports us to a serene space where we are encouraged to breathe and reconnect with simple beauty. *Laurie Tennent Botanicals* has been exhibited and published internationally.

A graduate of the College for Creative Studies with a BFA in Photography, Laurie is active in both the commercial and fine art areas of photography. She brings a unique perspective, an unsurpassed skill to her work that is seldom found elsewhere. Her ability to create captivating imagery, and her eye for capturing exquisite details, distinguishes her photography and promises an extraordinary experience for the viewer.

Laurie will be teaching photography class at the BBAC in spring term on Thursday evenings from 7– 9 pm, for 10 sessions. See page 42 for more information.

DRAWING

Drawing: Intermediate Drawing Studio

P

Instructor: Kerry Yaklin

Come join an encouraging studio environment for drawing at the intermediate level. Students who have completed an introductory drawing class(es) and are looking for assistance to improve their representational skill base are welcomed. Students will work on projects of their choosing for the duration of the class. Structured or assigned lessons are not within the scope of a studio class—however, applicable themes will be discussed as they arise. Students are responsible for selecting and bringing subject matter or references to class to work from each week—as your preference dictates.

Instruction will be guided per individual needs.

This class is NOT meant as a replacement for foundational instruction—it is a 'lab' for drawing development with guidance from the Instructor. This is a great class to work on 'trouble' areas for drawing, to gain new insights and to actively grow your skill set.

Any 2D drawing medium is welcome: graphite, charcoal, pen, color pencil, etc.

Live models will not be provided.

Prerequisite: Completion of introductory drawing class(es).

ArtAccess @ the BBAC = NO BOUNDARIES!

The Sky's the Limit...

The BBAC invites all people to explore art — in their own time & in their own way — with many paths to take...including some alternative & different approaches.

ArtBridge

This program is designed to benefit talented, motivated high school art students who come from underserved schools. Intensive art instruction and mentoring are provided in preparation for college entry. A typical teen spends one to three years at the BBAC, completing core curriculum and elective art classes, interning with an artist or instructor, and completing a digital portfolio for college applications.

ArtBridge is free for participants, who are recommended by their teachers or principals. While there is intermittent support from foundations, the BBAC remains committed to maintaining this important program with or without outside funding.

ArtBridge in Detroit

Since 2016, the BBAC has been providing a weekly art curriculum including an instructor and materials plus an after-school program to a Detroit middle school — all at no charge to the school or students. For six years prior to our arrival, the school had no art programming.

ArtBridge in Detroit is supported in part, by:

For more details on ArtAccess programs, visit BBArtCenter.org or phone 248.644.0866.

The Art of Caregiving®

The needs of caregivers — whether professional or family members — are often overlooked.

Our program — **FREE OF CHARGE** — is designed to provide an outlet with creative relief from the daily routine. Sessions include networking, informal discussion, and different art projects. No experience is required.

We send participants home with a kit containing supplies and materials reflecting that day's art session. Caregivers can choose to share this with the person they care for or use it themselves.

Meet Me @ the BBAC

Art-looking and art-making experiences for individuals with early and mid-stage Alzheimer's or dementia are offered for groups from human service agencies throughout the region as well as individuals still living at home.

In a typical session, we spend about a half-hour looking at and talking about artwork in a current BBAC exhibit, then everyone moves to the art studio to create their own artwork based on what we've just seen. Each person leaves with their completed project.

(Participation fees are nominal.)

For more details on ArtAccess programs, visit BBArtCenter.org or phone 248.644.0866.

Studio 1®

The BBAC, in partnership with human service agencies, provides art instruction for groups of individuals with a range of cognitive, physical, and/or emotional challenges.

Partners have included FAR, Oakland County Children's Village, Angel's Place, and Friendship Club.

Studio 1®, which began in 2008 when our vision of "art for all" was just emerging, remains a driving force behind our ArtAccess offerings.

Planet Lori Art Camp

Lori Haber Buckfire passed away from ovarian cancer at the age of 41. She was an artist, and passionate about children and helping others fighting the battle against cancer.

Each summer, for one week, the BBAC hosts Planet Lori Art Camp for 50+ children who had, or have a parent or close relative with cancer.

The camp is financially supported by the Lori Haber Buckfire Foundation so there is no charge for the campers.

For more details on ArtAccess programs, visit BBArtCenter.org or phone 248.644.0866.

ACCESS =

a means of approaching or entering a place; the right or opportunity to use or benefit from something

ArtAccess @ the BBAC is an essential component of meeting our mission to provide high quality, relevant services to the community and region, regardless of geographic, physical, cognitive or emotional "boundaries"...

- individuals with mental and/or physical challenges
- young, talented students from underserved communities
- older adults with dementia
- those who care for the elderly (caregivers)
- busy people who benefit from an "art break"

Everyone is welcome. The BBAC's vision statement is "art for all" and we have been celebrating that since 1957.

BBAC Scholarships

In partnership with generous supporters, the BBAC offers scholarships that reflect the BBAC's vision of "art for all." These listings reflect contributions made December 1, 2018 through January 15, 2020. Scholarship donations can be made online @ BBArtCenter.org; by phone: 248.644.0866; or at the BBAC office. Scholarships are awarded based on financial need. The application can be found at BBArtCenter.org.

Jeannie Anderson Scholarship

Jeannie Anderson was a BBAC student many years ago. Shown below is a sculpture she made with her daughter as a model. The lovely little statue graces our hill on the north side of the building. Jeannie believed that everyone deserved art experiences; and with this scholarship her family will help make that possible for years to come.

This scholarship is funded by Family & Friends of Jeannie Anderson.

Joshua Marks Art Scholarship

Joshua Marks loved art as a way to visually convey his thoughts, feelings and emotions. He found great joy in sketching favorite subjects for those whose life he touched and encouraged others to "think outside the box" in order to get in touch with their creative side.
