From the President & CEO

“The main thing is to be moved, to love, to hope, to tremble, to live.” — **Auguste Rodin**

As I write this, we continue to exist in an altered world due to the pandemic.

Despite all the restrictions, we have found ways to nurture our souls with art whether creating or viewing or finding inspiration in favorite memories, the outdoors, our families, and new routines...

It was evident in our recent 2021 Current Student Works exhibition that creativity is alive and well at the BBAC! We invite everyone to visit our new exhibits (which are particularly stunning this year), re-connect with your instructors in a class, and share a creative moment with those you're close to.

And don't forget to pop in and say "hello" to me when you're at the BBAC. Be assured that our staff and board remain committed to providing the best art experience opportunities as we move forward.

I eagerly look forward to spring. Many of us are undoubtedly ready for open windows and refreshed creativity!

Genevieve Van Zandt

Artist Biograph/ Statement:

Genevieve Van Zandt grew up in Southeast Michigan. Working at her family's cake bakery in her youth gave her a desire to work with her hands. Learning to sew and design her own clothes at a young age gave her a sense of artistic identity. She received a Bachelor of Fine Arts from Western Michigan University. She has been a resident artist and studio manager at Watershed Center for Ceramic Arts in Maine, as well as a long-term resident artist and instructor at Odyssey Center for Ceramics in North Carolina. She has assisted workshops at Penland School of Craft and Haystack Mountain School of Craft. She currently works in her Detroit studio.

"The forest, the garden, and the sea are places that I draw inspiration from. The mysterious qualities and parallels of these ecosystems within the human experience are the source of my subject matter. Ingrained in stories from the beginning of time; Mythical fantasies are often set on a dark path to the forest, in a marvelous garden, or based in our fascination with the otherworldliness of the sea. We can look at these myths as poetic ways to find significance in our lives. We are rooted in these natural places that somehow have escaped our daily lives. Humans are able to find a sense of tranquility when they retreat to the woods, tend to a garden, or stare across the ocean. These environments give us the ability to look inward and find subtle answers to life's questions."

ArtAccess @ the BBAC = NO BOUNDARIES!

The Sky's the Limit...

During this pandemic, please visit
BBartCenter.org
for updates about these programs.

The BBAC invites all people to explore art — in their own time & in their own way — with many paths to take...including some alternative & different approaches.

ArtBridge

This program is designed to benefit talented, motivated high school art students who come from underserved schools. Intensive art instruction and mentoring are provided in preparation for college entry. A typical teen spends one to three years at the BBAC, completing core curriculum and elective art classes, interning with an artist or instructor, and completing a digital portfolio for college applications.

ArtBridge is free for participants, who are recommended by their teachers or principals. While there is intermittent support from foundations, the BBAC remains committed to maintaining this important program with or without outside funding.

ArtBridge in Detroit

Since 2016, the BBAC has been providing a weekly art curriculum including an instructor and materials plus an after-school program to a Detroit middle school — all at no charge to the school or students. For six years prior to our arrival, the school had no art programming.

ArtBridge in Detroit is supported in part by:

The Art of Caregiving®

The needs of caregivers — whether professional or family members — are often overlooked.

Our program — **FREE OF CHARGE** — is designed to provide an outlet with creative relief from the daily routine. Sessions include networking, informal discussion, and different art projects. No experience is required.

We send participants home with a kit containing supplies and materials reflecting that day's art session. Caregivers can choose to share this with the person they care for or use it themselves.

Meet Me @ the BBAC

Art-looking and art-making experiences for individuals with early and mid-stage Alzheimer's or dementia are offered for groups from human service agencies throughout the region as well as individuals still living at home.

In a typical session, we spend about a half-hour looking at and talking about artwork in a current BBAC exhibit, then everyone moves to the art studio to create their own artwork based on what we've just seen. Each person leaves with their completed project.

(Participation fees are nominal.)

Studio 1®

The BBAC, in partnership with human service agencies, provides art instruction for groups of individuals with a range of cognitive, physical, and/or emotional challenges.

Partners have included FAR, Oakland County Children's Village, Angel's Place, and Friendship Club.

Studio 1®, which began in 2008 when our vision of "art for all" was just emerging, remains a driving force behind our ArtAccess offerings.

Planet Lori Art Camp

Lori Haber Buckfire passed away from ovarian cancer at the age of 41. She was an artist, and passionate about children and helping others fighting the battle against cancer.

Each summer, for one week, the BBAC hosts Planet Lori Art Camp for 50+ children who had, or have a parent or close relative with cancer.

The camp is financially supported by the Lori Haber Buckfire Foundation so there is no charge for the campers.

Drop-in Workshops

Sunday @ the Center and Seniors @ the Center are monthly workshops designed as convenient, inexpensive opportunities to be creative and learn something new. Different, authentic art projects are presented each month with all materials provided.

During this critical period of COVID-19, please visit BBArtCenter.org for updates about these programs.

ACCESS =

a means of approaching or entering a place; the right or opportunity to use or benefit from something

ArtAccess @ the BBAC is an essential component of meeting our mission to provide high quality, relevant services to the community and region, regardless of geographic, physical, cognitive or emotional "boundaries"...

- individuals with mental and/or physical challenges
- young, talented students from underserved communities
- older adults with dementia
- those who care for the elderly (caregivers)
- busy people who benefit from an "art break"

Everyone is welcome. The BBAC's vision statement is "art for all" and we have been celebrating that since 1957.

Jeannie Anderson Scholarship

Jeannie Anderson was a BBAC student many years ago. Shown below is a sculpture she made with her daughter as a model. The lovely little statue graces our hill on the north side of the building. Jeannie believed that everyone deserved art experiences; and with this scholarship her family will help make that possible for years to come. This scholarship is funded by Family & Friends of Jeannie Anderson.
