From the President & CEO

“Creativity takes courage.” — Henri Matisse

Courage has been needed in so many ways this past year!

Whether it's about venturing out, re-connecting with friends and loved ones, or exploring your talents, the BBAC has wonderful opportunities for creativity.

I want to thank our dedicated instructors, staff, and board members, who have so unselfishly remained present and involved during the pandemic. We so look forward to seeing more students return as fall term starts and will be very happy to welcome the new brave souls who will learn in our studios.

Has there ever been a better time to take a leap of faith and pick up a paintbrush, throw a lump of clay, hammer some metal, or work on a loom...? The art center has it all for you.

With my best regards,

Sharryl Cross

Sharryl Cross, *Dear Jaron — Let's Sip Tea*, acrylic

Sharryl Cross is an artist and fashion designer from Detroit, Michigan who earned a Bachelor of Science in Apparel and Textile Design from Michigan State University. In 2008 she moved to New York to begin a career as a fashion designer. Her 12-1/2 year success in the fashion industry heavily influenced her desire to become an artist. Like in fashion design, through an imaginative lens, Cross uses vibrant bold color, shapes, textures, movement, and patterns to communicate a contemporary art perspective in her drawings and paintings. Her Grandfather, Robert G. Alexander, was a self-taught artist and will always remain one of her biggest inspirations.

Sharryl will begin teaching fashion and sewing classes at BBAC this fall. You can find them on pages 20, 49, and 54.

ArtBridge

This program is designed to benefit talented, motivated high school art students who come from underserved schools. Intensive art instruction and mentoring are provided in preparation for college entry. A typical teen spends one to three years at the BBAC, completing core curriculum and elective art classes, interning with an artist or instructor, and completing a digital portfolio for college applications.

ArtBridge is free for participants, who are recommended by their teachers or principals. While there is intermittent support from foundations, the BBAC remains committed to maintaining this important program with or without outside funding.

ArtBridge in Detroit

Since 2016, the BBAC has been providing a weekly art curriculum including an instructor and materials plus an after-school program to a Detroit middle school — all at no charge to the school or students. For six years prior to our arrival, the school had no art programming.

ArtBridge in Detroit is supported in part by:

The Art of Caregiving®

The needs of caregivers — whether professional or family members — are often overlooked.

Our program — FREE OF CHARGE — is designed to provide an outlet with creative relief from the daily routine. Sessions include networking, informal discussion, and different art projects. No experience is required.

We send participants home with a kit containing supplies and materials reflecting that day's art session. Caregivers can choose to share this with the person they care for or use it themselves.

Meet Me @ the BBAC

Art-looking and art-making experiences for individuals with early and mid-stage Alzheimer's or dementia are offered for groups from human service agencies throughout the region as well as individuals still living at home.

In a typical session, we spend about a half-hour looking at and talking about artwork in a current BBAC exhibit, then everyone moves to the art studio to create their own artwork based on what we've just seen. Each person leaves with their completed project.

(Participation fees are nominal.)

For more information, visit: BBArtCenter.org or phone 248.644.0866 EXT. 111

Studio 1®

The BBAC, in partnership with human service agencies, provides art instruction for groups of individuals with a range of cognitive, physical, and/or emotional challenges.

Partners have included FAR, Oakland County Children's Village, Angel's Place, and Friendship Club.

Studio 1®, which began in 2008 when our vision of "art for all" was just emerging, remains a driving force behind our ArtAccess offerings.

Planet Lori Art Camp

Lori Haber Buckfire passed away from ovarian cancer at the age of 41. She was an artist, and passionate about children and helping others fighting the battle against cancer.

Each summer, for one week, the BBAC hosts Planet Lori Art Camp for 50+ children who had, or have a parent or close relative with cancer.

The camp is financially supported by the Lori Haber Buckfire Foundation so there is no charge for the campers.

For more information, visit: BBArtCenter.org or phone 248.644.0866 EXT. 111

Drop-in Workshops

Sunday @ the Center and Seniors @ the Center are monthly workshops designed as convenient, inexpensive opportunities to be creative and learn something new. Different, authentic art projects are presented each month with all materials provided.

We look forward to resuming this fall. Please visit BBArtCenter.org for updates about these programs.

Sundays @ the Center Funded in part by:

ACCESS =

a means of approaching or entering a place; the right or opportunity to use or benefit from something

ArtAccess @ the BBAC is an essential component of meeting our mission to provide high quality, relevant services to the community and region, regardless of geographic, physical, cognitive or emotional "boundaries"...

- individuals with mental and/or physical challenges
- young, talented students from underserved communities
- older adults with dementia
- those who care for the elderly (caregivers)
- busy people who benefit from an "art break"

Everyone is welcome. The BBAC's vision statement is "art for all" and we have been celebrating that since 1957.

Scholarship donations can be made online @ BBArtCenter.org; by phone: 248.644.0866; or at the BBAC office. Scholarships are awarded based on financial need. The application can be found at BBArtCenter.org.

Jeannie Anderson Scholarship

Jeannie Anderson was a BBAC student many years ago. Shown below is a sculpture she made with her daughter as a model. The lovely little statue graces our hill on the north side of the building. Jeannie believed that everyone deserved art experiences; and with this scholarship her family will help make that possible for years to come. This scholarship is funded by Family & Friends of Jeannie Anderson.

Joshua Marks Art Scholarship

Joshua Marks loved art as a way to visually convey his thoughts, feelings and emotions. He found great joy in sketching favorite subjects for those whose life he touched and encouraged others to "think outside the box" in order to get in touch with their creative side.

Charles McGee Scholarship Fund

In honor of the many years that the BBAC was fortunate to have his presence in the studios encouraging the numerous students he taught, guided and mentored, there has been a scholarship fund established to celebrate Charles McGee. Contributions to this fund will create opportunities for adults to explore the visual arts that he was so instrumental in. THANKS VERY MUCH

“The BBAC provides the essential ingredients a healthy community needs: a secure place to grow as an artist, a forum to present creativity, the supportive warmth of friendship, and the integrity and strength to make a difference within the community.”

- Frank James Fisher, ceramicist & BBAC exhibiting artist

We are grateful to everyone who supports the BBAC in our year-end & spring appeals...especially during the pandemic. More than a half-century ago, a group of community artists formed this art center & started the vision of “art for all.” That simple phrase guides us daily & we are proud to contribute meaningfully to the vitality of our region.

Your donations help make that a reality, now & into the future.
