## From the President & CEO

“Art saved my life.” — Chuck Close

As we approach our 20th month of a pandemic that no one would have predicted we would still be in the midst of — I think about our loved ones who are more important than ever, the cherished friends and family who we have lost and the yearning to return to “normal”.

Even though we are not “quite there yet” at the art center — we certainly feel that the studios are more active, the art more personal and the exhibitions more welcome.

As winter draws closer and the holidays are just around the corner, the BBAC will be brimming in artist's work at our annual Holiday Shop and this might be the perfect time to take a class that you have not explored.

Chuck Close stated, “*art saved my life*” — It hasn't exactly saved my life yet but my goodness, art fills my life with so much happiness along with all of you who share the same passion.

I wish everyone the best for the coming year — to health, happiness and art!

With my best regards,

Annie VanGelderens, President & CEO

**Lisa Farris**

Instructor Lisa Farris, *Joshua Tree with Spikes & Blossom* (Desert Series), ceramic

Lisa Farris has been working in ceramics for over 30 years, at first as a part time passion and more recently as a career. She earned her BFA from the University of Michigan and continued her ceramic education at Callanwolde Fine Arts Center in Atlanta, Georgia and Oakland Community College in Michigan. Years ago, with the birth of her three children, Lisa retired from her advertising copywriting job and happily devoted herself to art-making. She has shown her work at a variety of galleries as well as participating in the art fair circuit, where she has won numerous awards. Her work has most recently been featured as a prize winner in the 2019 Michigan Fine Arts Competition at the Birmingham Bloomfield Art Center and in the Michigan Ceramic Association exhibition at Grand Valley State University.

We are excited that Lisa has joined the BBAC ceramics faculty and teaches *'Abstractions in Clay'* on Monday mornings. Check out her class on page 12.

#### Drawing on the Right Side of the Brain: Level 1

I

**Instructor:** Kerry Yaklin

This is an introductory class geared at learning the basic skills for drawing. This theory approaches drawing as a learnable skill that eases as we modify the process of how we “see” in order to draw more realistically. Many skills required to draw effectively are located in the brains’ right hemisphere processing; not the dominant, analytic, left side. Projects are therefore designed to strengthen and practice these perceptual skills with how the right brain processes information. By strengthening these skills, you can feel the joy at achieving realistic looking drawings by experiencing the mental shift that produces accurate results.

Items covered include: line, positive and negative spaces, proportion and perspective, light and shading, etc. This class is great for explaining the “how’s” and “why’s” of the drawing process in a manner that is approachable to do.

No previous classes needed.

# ArtAccess @ the BBAC = NO BOUNDARIES!

The Sky's the Limit...

During this pandemic, please visit  
[BBArtCenter.org](http://BBArtCenter.org)  
for updates about these programs.

The BBAC invites all people to explore art — in their own time & in their own way — with many paths to take...including some alternative & different approaches.

## ArtBridge

This program is designed to benefit talented, motivated high school art students who come from underserved schools. Intensive art instruction and mentoring are provided in preparation for college entry. A typical teen spends one to three years at the BBAC, completing core curriculum and elective art classes, interning with an artist or instructor, and completing a digital portfolio for college applications.

ArtBridge is free for participants, who are recommended by their teachers or principals. While there is intermittent support from foundations, the BBAC remains committed to maintaining this important program with or without outside funding.

## ArtBridge in Detroit

Since 2016, the BBAC has been providing a weekly art curriculum including an instructor and materials plus an after-school program to a Detroit middle school — all at no charge to the school or students. For six years prior to our arrival, the school had no art programming.

ArtBridge in Detroit is supported in part by:

## The Art of Caregiving®

The needs of caregivers — whether professional or family members — are often overlooked.

Our program — **FREE OF CHARGE** — is designed to provide an outlet with creative relief from the daily routine. Sessions include networking, informal discussion, and different art projects. No experience is required.

We send participants home with a kit containing supplies and materials reflecting that day's art session. Caregivers can choose to share this with the person they care for or use it themselves.

## Meet Me @ the BBAC

Art-looking and art-making experiences for individuals with early and mid-stage Alzheimer's or dementia are offered for groups from human service agencies throughout the region as well as individuals still living at home.

In a typical session, we spend about a half-hour looking at and talking about artwork in a current BBAC exhibit, then everyone moves to the art studio to create their own artwork based on what we've just seen. Each person leaves with their completed project.

(Participation fees are nominal.)

For more information, visit: [BBArtCenter.org](http://BBArtCenter.org) or phone 248.644.0866 EXT. 111

## Studio 1®

The BBAC, in partnership with human service agencies, provides art instruction for groups of individuals with a range of cognitive, physical, and/or emotional challenges.

Partners have included FAR, Oakland County Children's Village, Angel's Place, and Friendship Club.

Studio 1®, which began in 2008 when our vision of "art for all" was just emerging, remains a driving force behind our ArtAccess offerings.

## Planet Lori Art Camp

Lori Haber Buckfire passed away from ovarian cancer at the age of 41. She was an artist, and passionate about children and helping others fighting the battle against cancer.

Each summer, for one week, the BBAC hosts Planet Lori Art Camp for 50+ children who had, or have a parent or close relative with cancer.

The camp is financially supported by the Lori Haber Buckfire Foundation so there is no charge for the campers.

For more information, visit: [BBArtCenter.org](http://BBArtCenter.org) or phone 248.644.0866 EXT. 111

## Drop-in Workshops

Sunday @ the Center and Seniors @ the Center are monthly workshops designed as convenient, inexpensive opportunities to be creative and learn something new. Different, authentic art projects are presented each month with all materials provided.

Please visit [BBArtCenter.org](http://BBArtCenter.org) for updates about these programs.

**Sundays @ the Center**  
Funded in part by:

# ACCESS =

a means of approaching or entering a place; the right or opportunity to use or benefit from something

ArtAccess @ the BBAC is an essential component of meeting our mission to provide high quality, relevant services to the community and region, regardless of geographic, physical, cognitive or emotional "boundaries"...

- individuals with mental and/or physical challenges
- young, talented students from underserved communities
- older adults with dementia
- those who care for the elderly (caregivers)
- busy people who benefit from an "art break"

Everyone is welcome. The BBAC's vision statement is "art for all" and we have been celebrating that since 1957.

# BBAC Scholarships

In partnership with generous supporters, the BBAC offers scholarships that reflect the BBAC's vision of "art for all." These listings reflect contributions made June 1, 2020 – August 31, 2021. Scholarship donations can be made online @ BBArtCenter.org; by phone: 248.644.0866; or at the BBAC office. Scholarships are awarded based on financial need. The application can be found at BBArtCenter.org.

## Jeannie Anderson Scholarship

Jeannie Anderson was a BBAC student many years ago. Shown below is a sculpture she made with her daughter as a model. The lovely little statue graces our hill on the north side of the building. Jeannie believed that everyone deserved art experiences; and with this scholarship her family will help make that possible for years to come. This scholarship is funded by Family & Friends of Jeannie Anderson.

## Joshua Marks Art Scholarship

Joshua Marks loved art as a way to visually convey his thoughts, feelings and emotions. He found great joy in sketching favorite subjects for those whose life he touched and encouraged others to "think outside the box" in order to get in touch with their creative side.
