From the President & CEO

“Life is the art of drawing without an eraser.”

— John W. Gardner

These words ring true. If the past few years have taught us one lesson out of the many — it is to nurture our families, ourselves and what is most important to you. So as we slowly reawaken to new horizons, the BBAC can be your route to a new skill in one of our studios. Take that step to explore a new medium and don't look back!

We have so much to offer and our dedicated instructors, staff and board members have helped us navigate the challenges to assure that every student has the best experience here at this very special art center.

I personally look forward to seeing many new and longtime artists and visitors who are here to explore their creativity, take in an exhibit or shop in our Gallery shop. Not to mention the many parents dropping off their children to start that artistic journey!

In addition, our hope is to resume to “normal” operations, which means the return of Shop & Champagne!

Thank you for your continued support and don't forget to take that bold step — without an eraser!

With my best regards,

BOOK ARTS

Book Arts/ Printmaking: Artist's Books & the Printed Zine

N

Instructor: Elizabeth Isakson-Dado

In this class, we will explore various methods of printing artists' books and zines with traditional printmaking methods, including relief printing, monotype, and pressure printing with oil board. The aesthetics of this media draws on the tradition of artist-created books from the 1970s on, and updates our processes to be inspired by the DIY culture of zines.

Each class will begin with a discussion of book forms and examples of printmaking methods. We'll discuss designing in sequence, folding and cutting techniques, and how the image-making process relates to various book structures. Participants will create several one-of-a-kind simple folded book structures, a folio of prints from each person in the class to be bound into a book with a copy for each participant, and an edition of 15 of their own pamphlet books.

DRAWING

Foundations: Drawing
on the Right Side of the Brain — Level 1

Instructor: Kerry Yaklin

This is an introductory class geared at learning the basic skills for drawing. This theory approaches drawing as a learnable skill that eases as we modify the process of how we “see” in order to draw more realistically. Many skills required to draw effectively are located in the brain's right hemisphere processing; not the dominant, analytic, left side. Projects are therefore designed to strengthen and practice these perceptual skills with how the right brain processes information.

By strengthening these skills, you can feel the joy of achieving realistic looking drawings by experiencing the mental shift that produces accurate results. Items covered will include: line, positive and negative spaces, proportion and perspective, light and shading, etc.

This class is great for explaining the “how’s” and “why’s” of the drawing process in a manner that is approachable to do.

No previous classes or experience is needed.

ArtAccess @ the BBAC = NO BOUNDARIES!

The Sky's the Limit...

During this pandemic, please visit
BBArtCenter.org
for updates about these programs.

The BBAC invites all people to explore art — in their own time & in their own way — with many paths to take...including some alternative & different approaches.

ArtBridge

This program is designed to benefit talented, motivated high school art students who come from underserved schools. Intensive art instruction and mentoring are provided in preparation for college entry. A typical teen spends one to three years at the BBAC, completing core curriculum and elective art classes, interning with an artist or instructor, and completing a digital portfolio for college applications.

ArtBridge is free for participants, who are recommended by their teachers or principals. While there is intermittent support from foundations, the BBAC remains committed to maintaining this important program with or without outside funding.

ArtBridge in Detroit

Since 2016, the BBAC has been providing a weekly art curriculum including an instructor and materials plus an after-school program to a Detroit middle school — all at no charge to the school or students. For six years prior to our arrival, the school had no art programming.

ArtBridge in Detroit is supported in part by:

The Art of Caregiving®

The needs of caregivers — whether professional or family members — are often overlooked.

Our program — **FREE OF CHARGE** — is designed to provide an outlet with creative relief from the daily routine. Sessions include networking, informal discussion, and different art projects. No experience is required.

We send participants home with a kit containing supplies and materials reflecting that day's art session. Caregivers can choose to share this with the person they care for or use it themselves.

Meet Me @ the BBAC

Art-looking and art-making experiences for individuals with early and mid-stage Alzheimer's or dementia are offered for groups from human service agencies throughout the region as well as individuals still living at home.

In a typical session, we spend about a half-hour looking at and talking about artwork in a current BBAC exhibit, then everyone moves to the art studio to create their own artwork based on what we've just seen. Each person leaves with their completed project.

(Participation fees are nominal.)

Studio 1®

The BBAC, in partnership with human service agencies, provides art instruction for groups of individuals with a range of cognitive, physical, and/or emotional challenges.

Partners have included FAR, Oakland County Children's Village, Angel's Place, and Friendship Club.

Studio 1®, which began in 2008 when our vision of "art for all" was just emerging, remains a driving force behind our ArtAccess offerings.

Planet Lori Art Camp

Lori Haber Buckfire passed away from ovarian cancer at the age of 41. She was an artist, and passionate about children and helping others fighting the battle against cancer.

Each summer, for one week, the BBAC hosts Planet Lori Art Camp for 50+ children who had, or have a parent or close relative with cancer.

The camp is financially supported by the Lori Haber Buckfire Foundation so there is no charge for the campers.

For more information, visit: BBArtCenter.org or phone 248.644.0866 EXT. 111

Drop-in Workshops

Sunday @ the Center and Seniors @ the Center are monthly workshops designed as convenient, inexpensive opportunities to be creative and learn something new. Different, authentic art projects are presented each month with all materials provided.

We look forward to resuming this fall.
Please visit BBArtCenter.org
for updates about these programs.

Sundays @ the Center
Funded in part by:

ACCESS =

a means of approaching or entering a place; the right or opportunity to use or benefit from something

ArtAccess @ the BBAC is an essential component of meeting our mission to provide high quality, relevant services to the community and region, regardless of geographic, physical, cognitive or emotional "boundaries"...

- individuals with mental and/or physical challenges
- young, talented students from underserved communities
- older adults with dementia
- those who care for the elderly (caregivers)
- busy people who benefit from an "art break"

Everyone is welcome. The BBAC's vision statement is "art for all" and we have been celebrating that since 1957.

Jeannie Anderson Scholarship

Jeannie Anderson was a BBAC student many years ago. Shown below is a sculpture she made with her daughter as a model. The lovely little statue graces our hill on the north side of the building. Jeannie believed that everyone deserved art experiences; and with this scholarship her family will help make that possible for years to come.

This scholarship is funded by Family & Friends of Jeannie Anderson.

Joshua Marks Art Scholarship

Joshua Marks loved art as a way to visually convey his thoughts, feelings and emotions. He found great joy in sketching favorite subjects for those whose life he touched and encouraged others to "think outside the box" in order to get in touch with their creative side.

Charles McGee Scholarship

In honor of the many years that the BBAC was fortunate to have his presence in the studios encouraging the numerous students he taught, guided and mentored, there has been a scholarship fund established to celebrate Charles McGee. Contributions to this fund will create opportunities for adults to explore the visual arts that he was so instrumental in.

THANKS VERY MUCH

We are grateful to everyone who supports the BBAC in our year-end & spring appeals...especially during the pandemic. More than a half-century ago, a group of community artists formed this art center & started the vision of “art for all.” That simple phrase guides us daily & we are proud to contribute meaningfully to the vitality of our region.

Your donations help make that a reality, now & into the future.
