From the President & CEO

“The art of art, the glory of expression and the sunshine of the light of letters, is simplicity.” — Walt Whitman

Quite simply, we can't wait for summer and all the “glory of expression and the sunshine” it brings! While some look forward to lazy days, the BBAC will be very busy providing creative inspiration for all ages. We have inspiring workshops for adults and so many summer art camps to keep children active, engaged while igniting a spark to their imagination!

Summer also signals the return of our 12th *Fine Art of Summer* event. This is now a must-attend for many people and I hope you can join us. Each year we spend an evening among great company at a home of architectural distinction or one with a superb art collection — but most times both! Visit our website for more details.

And summer unveils our annual *Michigan Fine Arts Competition*, now in its 42nd year! This exhibit showcases exceptional art by artists from the five of the Great Lakes states. It is always extraordinary, current and gives us a glimpse to what the art scene is producing.

Finally, I thank you all for filling our studios with the creative energy that you possess or for coming to see what graces our gallery walls or for bringing your little ones to an art class. Your support means more than you will ever know and allows the BBAC to continue to celebrate “art for all” for 66 years!

VISITING ARTIST WORKSHOP

Painting Workshop w/ Dan Graziano

Painting "Painterly" from a Photo Reference

Monday – Wednesday, August 28–30

This three-day studio workshop will focus on painting "alla prima" (all at once) as well as developing greater skills of observation, simplification and quickly painting "wet on wet" to create strong "painterly" paintings. The workshop will also discuss techniques to quickly transfer the important elements of a reference photo to the canvas, creating an artistic painting rather than simply rendering a photograph.

The first morning of the workshop begins with a discussion of oil painting basics (from materials to paint handling) and will also address the fundamentals of color, value, edges, perspective and other "practical" elements related to successful painting. Participants will then work on a series of timed painting exercises incorporating the techniques discussed and developing their skills of observation, simplification and quickly working in an "alla prima" manner.

Each day of the workshop will include a short painting demo by Dan with explanation of his process along the way with plenty of one-on-one individual instruction throughout the day.

This workshop is designed for beginning to advanced painters in both oil and acrylic mediums. *Participants are encouraged to bring photos to paint from or may choose from photos brought by the instructor.*

A suggested supply list will be provided at registration.

ArtBridge

This program is designed to benefit talented, motivated high school art students who come from underserved schools. Intensive art instruction and mentoring are provided in preparation for college entry. A typical teen spends one to three years at the BBAC, completing core curriculum and elective art classes, interning with an artist or instructor, and completing a digital portfolio for college applications.

ArtBridge is free for participants, who are recommended by their teachers or principals. While there is intermittent support from foundations, the BBAC remains committed to maintaining this important program with or without outside funding.

ArtBridge in Detroit

Since 2016, the BBAC has been providing a weekly art curriculum including an instructor and materials plus an after-school program to a Detroit middle school — all at no charge to the school or students. For six years prior to our arrival, the school had no art programming. We continue our outreach with a new partnership with Detroit Public Schools.

ArtBridge in Detroit is supported in part by:

The Art of Caregiving®

The needs of caregivers — whether professional or family members — are often overlooked.

Our program — FREE OF CHARGE — is designed to provide an outlet with creative relief from the daily routine. Sessions include networking, informal discussion, and different art projects. No experience is required.

We send participants home with a kit containing supplies and materials reflecting that day's art session. Caregivers can choose to share this with the person they care for or use it themselves.

Meet Me @ the BBAC

Art-looking and art-making experiences for individuals with early and mid-stage Alzheimer's or dementia are offered for groups from human service agencies throughout the region as well as individuals still living at home.

In a typical session, we spend about a half-hour looking at and talking about artwork in a current BBAC exhibit, then everyone moves to the art studio to create their own artwork based on what we've just seen. Each person leaves with their completed project.

(Participation fees are nominal.)

Studio 1®

The BBAC, in partnership with human service agencies, provides art instruction for groups of individuals with a range of cognitive, physical, and/or emotional challenges.

Partners have included FAR, Oakland County Children's Village, Angel's Place, and Friendship Club.

Studio 1®, which began in 2008 when our vision of "art for all" was just emerging, remains a driving force behind our ArtAccess offerings.

Planet Lori Art Camp

Lori Haber Buckfire passed away from ovarian cancer at the age of 41. She was an artist, and passionate about children and helping others fighting the battle against cancer.

Each summer, for one week, the BBAC hosts Planet Lori Art Camp for 50+ children who had, or have a parent or close relative with cancer.

The camp is financially supported by the Lori Haber Buckfire Foundation so there is no charge for the campers.

For more information, visit: BBArtCenter.org or phone 248.644.0866 EXT. 111

Drop-in Workshops

Sunday @ the Center and Seniors @ the Center are monthly workshops designed as convenient, inexpensive opportunities to be creative and learn something new. Different, authentic art projects are presented each month with all materials provided.

Please visit BBArtCenter.org for updates about these programs in the summer.

Sundays @ the Center
Funded in part by:

ACCESS =

a means of approaching or entering a place; the right or opportunity to use or benefit from something

ArtAccess @ the BBAC is an essential component of meeting our mission to provide high quality, relevant services to the community and region, regardless of geographic, physical, cognitive or emotional "boundaries"...

- individuals with mental and/or physical challenges
- young, talented students from underserved communities
- older adults with dementia
- those who care for the elderly (caregivers)
- busy people who benefit from an "art break"

Everyone is welcome.

The BBAC's vision statement is "art for all" and we have been celebrating that since 1957.

BBAC Scholarships

In partnership with generous supporters, the BBAC offers scholarships that reflect the BBAC's vision of "art for all." These listings reflect contributions made March 1, 2022 – March 1, 2023. Scholarship donations can be made online @ BBArtCenter.org; by phone @ 248.644.0866; or at the BBAC office. Scholarships are awarded based on financial need. The application can be found at BBArtCenter.org.

Jeannie Anderson Scholarship

Jeannie Anderson was a BBAC student many years ago. Shown below is a sculpture she made with her daughter as a model. The lovely little statue graces our hill on the north side of the building. Jeannie believed that everyone deserved art experiences; and with this scholarship her family will help make that possible for years to come. This scholarship is funded by Family & Friends of Jeannie Anderson.

Joshua Marks Art Scholarship

Joshua Marks loved art as a way to visually convey his thoughts, feelings and emotions. He found great joy in sketching favorite subjects for those whose life he touched and encouraged others to "think outside the box" in order to get in touch with their creative side. Brian & Shelly Marks; Linda & Bobby Schmier & Family

Charles McGee Scholarship

In honor of the many years that the BBAC was fortunate to have his presence in the studios encouraging the numerous students he taught, guided and mentored, there has been a scholarship fund established to celebrate Charles McGee. Contributions to this fund will create opportunities for adults to explore the visual arts that he was so instrumental in. THANKS VERY MUCH

We are grateful to everyone who supports the BBAC in our year-end & spring appeals. More than a half-century ago, a group of community artists formed this art center & started the vision of “art for all.” That simple phrase guides us daily & we are proud to contribute meaningfully to the vitality of our region.

Your donations help make that a reality, now & into the future.
